

PUBLIC WATER SUPPLY DISTRICT NO. 4

Sewer Billing Information:

The Water District has currently entered into an agreement with the City of Taos to collect sewer payments along with water bills. This will only affect Water District customers that are hooked into the City of Taos Sewer System. Both services will come on one bill and one payment can be remitted to the Water District Office. Any questions pertaining to your sewer bill need to be directed to the City of Taos as Water District Staff will only explain how the amount was comprised. The City of Taos can be reached at 573-395-4804.

The City of Taos has entered into a wastewater termination agreement with the Water District pursuant to RSMo 393.016. If a sewer customer fails to pay a sewer bill, the Water District would have to disconnect water services until the sewer bill has been paid. If water service is disconnected, all disconnection fees would have to be paid before water service is restored.
